

# NKANGALA DISTRICT MUNICIPALITY

## INVITATION TO REGISTER ON NKANGALA DISTRICT MUNICIPALITY'S DATABASE FOR E-PROCUREMENT SYSTEM

Nkangala District Municipality has introduced an online procurement system which is aimed at promoting fairness, equitability, transparency, competitiveness and cost effectiveness; and furthermore, reduce any human interaction and errors. It is the role of the municipality to facilitate and inform all potential users and/or service providers of the electronic medium which is aimed at supporting and simplifying the procurement process by enforcing increased transaction speed, improved transparency and improved collaboration, analysis and decision-making through a centralized data management system.

All suppliers registered on CSD database are advised to register on the Nkangala e-procurement system. Nkangala District Municipality will start using the e-procurement system as from the 01st of November 2020. The service providers will be assisted to register on the e-procurement system, through a procedural manual and video that is available on the website link. For any queries please contact the supply chain unit at: (013) 249 2103/04/05/06/07/2110/2096
